

International Exhibition on Electronics Products in Vietnam 2010
17 – 20 November 2010
Saigon Exhibition and Convention Center(SECC), HCMC, SR Vietnam

Themed Exhibit “Electronics Manufacturing”

Why Vietnam?

- ✧ Favorable Gov’t Policy in terms of Tax Exemption as part of commitment entering WTO
- ✧ Fabulous Market Outlook - World’s renowned electronics manufacturers such as Canon, Compal, Intel, Fujitsu, Foxconn, Panasonic, Samsung ... are all here to manufacture various electronics parts and consumer electronics
- ✧ Large population of 85 millions, high young population & high literacy rate – new star destination for FDI particularly in industrial production
- ✧ Continuous High Turnover in Import & Export, esp. in Electronics Goods
- ✧ High GDP & FDI growth plus growing disposable income in Vietnam & Indochina region – boosting internal consumption demand

Why Vietnam Electronics 2009?

- Largest Electronics Manufacturing, Consumer Electronics & ICT events in Vietnam – most influential one in Vietnam and Indochina region
- Most effective trade platform & brilliant on-the-spot sales record – continuous participation of pavilions led by CCPIT (China), SIAA (Singapore) and TEEMA (Taiwan) bringing over 100 enterprises to Vietnam per edition
- 2009 edition: About 50% of 18,000+ trade visitors are from Manufacturers, Importers, Distributors, Wholesalers and Buying Offices
- Well-established Organizers, VNPT & Adsale – 15+ year event experience in Vietnam – Strong Local Visitor Database & Extensive Promotion Coverage for Visitor Invitation
- Unique consultancy service, especially useful for new comers to Vietnam market

Who should join?

- Manufacturing Technology & Equipment
- Assemblies and subsystems
- LED Display
- Surface-mount Device (SMD) Components/ Surface-mount Technology (SMT)
- Green Manufacturing
- Electronic Manufacturing Services (EMS)
- Testing & Measuring
- Manufacturing Design
- Mold/ Screen Printing for consumer electronics products
- Electronics Parts & Components (e.g. semiconductors, Resistors, Capacitors, Sensors, Intergrated circuits)
- Relays, Switches and Interconnection Technology
- Printed Circuit Boards (PCBs)
- Power Supplies
- Motors / Drives/ Cables
- Display & Casing
- Embedded Products/ Solutions

Target Visitors:

- Manufacturers
- Importers/ Buying Offices
- Distributors/ Wholesalers

Maximize Your ROI:

- Special Promotion Programs include: e-blast invitation under individual theme to the target visitor group with product info in “event preview” before the events, additional indication in exhibition hall and different event collaterals whenever applicable
- Free Consultancy Service + Comprehensive Promotion Programs
